Gudrun Gut

The new single by Berlin's **Gudrun Gut**, *Move Me/Thomas Fehlmann Tango Shuffle Remix* (Earsugar Jukebox 7") is one of the best ex-Malaria! records I've heard in a good while. The basic plop on the A side has to do with some sort of dub-wheeze-tango run through layers of effect and pudding. Thomas Felhmann's remix is good, too, but almost extraneous, since the original is so blasted.
